In Schroon Lake N.Y.

and Meg Wood

Town Clerk: Patricia Savarie

Also Present: Rose Marie Ritson, Roger and Fran Mahler, Albert May, Jean and Bill Stroethenke, , Mike Marnell, Sheila and John Yanko, Mark Laplante, Bill Calmbacher, Bob Yoeckel, Anthony Bartolomeo, Fran and Paul Provoncha, Bill and Lorraine Altmann, Norma Stowell, Tom Ringrose and Arlene Whitty

Supervisor Moses called the meeting to order at 5:03 P.M. and introduced John Mucha from Time Warner Cable to update the Board as to where they are with the extensions. They are currently working on Miller Road, French Road, Bay Road and Rowe Way. Adirondack Road will start soon as Time Warner Cable has received their final pole permit. They will be doing 8.9 miles on the Adirondack Road. There were many questions from the public on how they would go about getting back WTEN out of Albany, N.Y. and other New York stations rather than from Vermont. John stated that Nelson Market System designates the lines for broadcasting in each county. John stated that they negotiate contracts with all the stations and they are not allowed to go out of market lines. The public stated that most of the taxpayers go south to do their shopping not north to Plattsburgh or east into Vermont especially the way gas prices are now. The public would like John to go back to the Marketing Agency and explain to them that we need New York State news and stations since we live in the State of New York.

Supervisor Moses stated that there will be another meeting in July with Time Warner Cable to discuss this further.

Councilman Friedman moved to go into Executive Session to discuss negotiations with Time Warner Cable at 5:45 p.m., seconded by Councilman Whitney; carried.

Councilman Friedman moved to come out of Executive Session at 6:05 p.m., seconded by Councilwoman Wood; carried.

I, Patricia J. Savarie, do hereby certify the foregoing to be a true and correct transcript from the minutes now on file in my office and of the whole such original minutes.
